I went to school with Danny in Sterling Park. His sense of humor unmatched. His laugh and smile contagious to all who crossed his path in life. The world certainly dimmed the day he left us. To grieve is natural however we must live our best lives for those who've gone before us. That is how you continue to honor them. Jacquie you will be in my constant thought and prayers.

Jacquie and Family, my prayers are with you during this difficult time of loss. I always witnessed the love you have for Danny as you talked about his many projects and how he was an awesome husband and Dad. May God provide peace in knowing that Danny's love will always surround you all. With love and prayers...
