Kristina "Kris" Washam

NOV 1, 1955 - DEC 27, 2021

Kristina "Kris" Marie Washam, 66, of Stanley, NC died December 27, 2021. She was born on November 1, 1955 in Wabash Co., IN to Alice Weaver (of Plainfield, IN) and the late Robert Owen Weaver.

Her fierce love for family, friends, and her animals knew no bounds. Her adventurous spirit was contagious and if you were lucky enough to be around when she got a "wild hair", you were in for quite a treat. She was a constant source of joy that will be greatly missed.

In addition to her mother, survivors include her husband Robbie; son, Robert V. Washam, Jr. of Iron Station; daughter, Jessica Washam of Mooresville; siblings, Kathy Jo Turley and Michael Robert Weaver.

Memorials may be made to St. Jude's.

A memorial service will be held at 2 PM Friday, December 31 at James Funeral Home with visitation to follow.

James Funeral Home of Huntersville is serving the family.

I remember coming to the school to pick up my sick daughter one day and there she was in Kris'lap with with her arms wrapped my daughter making her feel safe and comfortable. Never worried about my children with Kris in the office. Such a lovely lady.

The front office at Cornelius Elementary set the tone of our school. Sometimes amidst chaos, Kris' ability to remain cool, calm and collected, while being so professional in her responsibilities endeared her to all of us! She was a real treasure!!! Hugs to all her family . ❤️ Becky Deal

Kris and I worked together at Cornelius Elementary School in the 90's and what a delight she was. She always came in with a smile and shared her smile throughout the day. She was so professional and caring and highly respected by the school community as well as the neighborhood community. There are huge tears in my heart today even though I know she is celebrating with the Angels. Robbie and Jessie, you are in my heart and my prayers. I am so sorry that we are out of town and cannot be there to celebrate her beautiful life. May she rest in peace. Mary Clark (former CES Principal)
