I have many good memories of myself, Curt and Bubba fishing for bream in the pond behind their mom and dads house. He's probably catching one now. Our prayers are with the family.

Curt was such a fun, loving guy to be around. His laugh filled up a room and I was so lucky to share so many great memories with him growing up. We all would hang out at our grandparents house (Maw Maw & Paw Paw) and have so much fun. I will always remember the great times we had together in the garden, playing baseball or football with the neighbors on the large grass field, or just being together in the Mundy house watching tv or telling hilarious stories. Curt was my older cousin and he always treated me like he was my 2nd big brother. Curt was such an infectious, happy, positive person, who could light up a room with his laugh or distinct chuckle. I will forever cherish the pleasure of growing up with him and learning how to enjoy life. Curt never missed a chance to enjoy life and laugh. I am honored to have been influenced by his "live every day positively" attitude! Curt - I will carry on your laughter until we see each other again. I love you! Curt was a loving nephew. His unique sense of humor always made me and my family smile. He had a heart of gold and would check on his old Aunt every now and then. Curt growing up with my boys was so much fun, They always had a great time playing baseball and games at their Maw Maw and Paw Paw's house. Oh, so many neices and nephews to watch them growing up. Such a joy. May God be with all of Curt's family and friends. I love you all. Vivian
