I can't believe you're gone so early. I will always remember camping in the back yard, fishing and kayaking on the lake, playing soccer, basketball, and Nintendo together, and hanging out in Europe and San Francisco. I hate that it was so long since I saw you last, but I am proud of the fact that you finished your M.S. degree and all that you accomplished. Rest in peace, old friend. I'll see you at the crossroads...
