Benjamin "Ben" James

JUL 18, 1986 - MAY 1, 2022

Benjamin “Ben” Lawrence James, 35, of Huntersville went to be with the Lord on May 1, 2022. He was born on July 18, 1986 in Charlotte to Steve and Pam James. Ben graduated SouthLake Christian Academy in 2004 and then attended Western Carolina University. He worked as an electrical and general contractor. He worked with his father for many years at Trinity Electric Company and last as an electrical contractor in the solar industry.

Ben had no enemies in life. He was loved by all who knew him. He never met a stranger and gave so much joy to his family and friends. Ben was an avid Panthers fan. He enjoyed all things outdoor - especially fishing.

Ben is survived by his beloved son Walter; his parents, Steve and Pam James of Huntersville; brother, Sam James and wife Liz of Huntersville; as well as many nephews, nieces, aunts, uncles and cousins.

A Graveside service will be held at 11 AM Thursday, May 5, 2022 at Mt. Zion Community Cemetery in Cornelius. Feel free to dress casually and wear your Panthers attire. For those who wish to view, the casket will be open 30 minutes prior to the service at graveside.

In lieu of flowers, memorials may be made to Paths of Hope International, PO BOX 4242 Greensboro, NC 27404. This organization works with young people in Peru. Ben went to Peru on a mission trip his senior year in high school and had a heart for the young people there.

James Funeral Home of Huntersville is serving the family.

To the entire James family. We had the pleasure of getting to know Ben several years ago. He always had a smile on his face with a shining personality. He was the kind of guy people remembered, not just another face in the crowd. We mourn his passing with you, and are holding you close in prayer. We pray you find peace and comfort in the days, weeks and months ahead, as you lean on each other and the love of God. Keith, Lori & Jacob Dossey

Some of my fondest memories from my high school years were spent with Ben. Whether it was playing sports, on youth group trips, or anywhere else, I always had a sense of joy being around him that you only have with someone who genuinely cares about you and enjoys you for who you are. I have missed him dearly since I've been in the service and am heartbroken to hear of his passing. My thoughts and prayers are with you all and like you I look forward to the day to be reunited with him in glory. Love in Christ, Rob

My heart just shattered into a billion pieces. I find it extremely hard to even type this tribute. Ben has always been spoken of by me, as an angel on earth that I was privileged to spend a lot of lovely time talking with and chuckling. He had such the sweetest Godly spirit!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! My heart is sooo broken, I cannot even imagine him not with us. The angels in heaven now has such a beautiful spirited person to praise God with them, rest on the clouds, fly, and fly really high until his hearts content! Sending blessings to all his dear family; may the Lord Jesus Christ forever comfort you, as you remember and cherish Benjamin's anointed way of living life to the fullest. Love Love Love to the James family!! Sam & Teah Cousart

Stever and Pam We remember when we first met as you were building our hose next to us. Ben and Sam played in the yard, and we got to see Ben grow up into gentle and happy young man. I will miss our talks at church and the kind words from him every time I saw him. He will be missed. I don't know of anything worst then losing a child as we lost our youngest daughter before we moved here, but know he is with Christ and his pain from this world is gone. Roger and Barb

Ben has been my friend since 7th grade. He was kind, funny, and had a way of remembering small details about everyone he met. He's one of the few people that I've kept in touch with over the years. We spoke last Monday for 40 mins and he told me how he was teaching Walter how to skate. I can't believe that was the last time we'd speak, but I'm really glad I got the chance to talk to him one last time. I'll miss you, buddy, and I'll be praying for your many friends and especially your family.

Oh dear James family, you have my heartfelt condolences in this great loss! I LOVED Ben! I will always remember his senior class trip to Peru. His was the first class to go to Peru and I remember how touched he was by the stories of the boys we went to help. I also remember everyone on the bus scouring the countryside for a llama so that Ben could get out and pet it. We found the llama! My other favorite memory of Ben was the Friday night football game that Ben intercepted a pass and scored a touchdown! The stands went wild! We were so thrilled, not just for the points, but because we loved him! We commit Ben to our faithful Creator in whose arms he rests. Susan Smith, President Paths of Hope Ministries International
