I worked with Judy for 9 years at Duke. We were closer than sisters. I was so shocked to happen on this. Was not able to talk to her for about 3 years because I could never get her. I am so sad no one let me know and sad I didn't get to say bye.

I truly loved her and worked with her at Duke Power for years and we were close and after she retired we still got together 3-4 times a year I think I knew somehow that Judy left us the minute it happened I've looked for her for two years and my Xmas cards came back and couldn't get her by phone I even checked nursing homes to see if I can go see her. Judy I will miss you for always God Bless you my friend.
