## Lois Pippin

DEC 25, 1927 - JUL 18, 2022

**L**ois E. Pippin of Charlotte, NC, passed away on Monday, July 18th, 2022, at 94. Lois was a native of Greenfield, IN. She moved to Birmingham, MI, with her husband to raise her family, where she lived until 1995, when she moved to Davidson, NC. During her years in Michigan, Lois was an active member of First United Methodist Church and the Women's Auxiliary to Goodwill. After her move to Davidson, she made many friends, created a new life, and enjoyed her time there tremendously. Lois was an avid gardener and enjoyed many other creative pursuits throughout her years. Her love of antiquing was evident in the beautiful homes she created throughout her life.

Lois' greatest joy was her family, especially her six grandsons. She was preceded in death by her husband of 42 years, Richard F. Pippin, and her son Douglas Pippin (Deane). Lois is survived by her daughters Catherine Corona (Greg) and Patricia Mikita (Mike), six grandsons; Bradley Corona (Tanya), Christopher Corona (Leah), Jacob Pippin, Benjamin Pippin, Andrew Mikita (Maggie), Connor Mikita, and three great-grandchildren; Jackson Corona, Miles Corona, and Willa Rose Corona.

The family will hold a private memorial service at a later date. In place of flowers, memorial donations should go to:

Aldersgate United Methodist Retirement Community  
3800 Shamrock Dr.  
Charlotte, NC 28215

We will always be grateful for Lois' loving care from Aldersgate, where she spent her final years.

i am sorry to hear about Lois - she was an amazing woman, mother, wife and good friend to Mom and Dad and even threw my wedding shower at her house and all the Christmas parties too. She will be missed and is in heaven with her husband and son and friends.

Though deeply saddened to hear that Lois has left us behind, I am so grateful to know she has rejoined her loved ones who went before her. The world has been blessed by her presence; I personally always believed Aunt Lois had the most delightful laugh and the sweetest temperament! My fondest memories are wrapped in her loving responses to her husband and her children, often mingled with humor! My mom treasured her time with her sister; I know they are together as well. My thoughts and prayers are with Cathy, Patti, Deane and their families.

I will miss seeing Lois on my visits to see my mom, Ethel. I know the two of them would have been great friends had they known each other sooner in life. They have so much in common. My last fond memory of Lois is her laughing at some nonsensical words that came out of Mom's mouth. I'm guessing only the two of them know what was said. She's earned her place in heaven. I know many are enjoying getting to know her and she'll be there with welcoming words and arms for others. I wish you all peace and comfort.

Karen, it was so nice meeting you, albeit at the very end. I'm glad you and Patti became friends. You are both fortunate to have been able to share experiences during this long and unpredictable journey. Wishing you and your mother all the best as you continue your journey with her. Cathy
