Michelle was like a sister to my dear friend, Jessica McMullen. We always enjoyed when Michelle visited Jessica and we could catch up over lunch or go on an outing. Praying for Michelle's sweet girls and all who loved her. She will be greatly missed by many. ❤️

Michelle was sweetest baby at our wedding, some 47 years ago. What a Beautiful lady she had become. Never met her lovely daughters, but she sent me picture of them all the times. Your folks were my special sister and brother to me, loved them so much. My prays go to each of you and your Grandfather Gary & Uncle Larry family. I will keep in touch with your Grandfather. I put flowers out to your Grandma graves. My heart goes out to all of you tomorrow, wish I could be there. Love! Marjorie & Lester Miller

Michelle will be greatly missed. She was like a bonus sister to me. We joked that we could go months without sending a text or calling and when we would get the opportunity to get together or talk it was like we continued where our conversation left off. We just enjoyed talking and hanging out. We both looked forward to our time we spent before and during Czech days. She always made me her potato salad (my favorite) for my birthday. She made sure my birthday wasn't forgotten due to Czech Days. We always managed to get a float entered into the children's parade last minute as well. Queens of procrastination we worked well together. It really does suck that you had to leave here so soon. I'm glad for all the memories (too many to count) that I can hold onto until we meet again! Love you and miss you lots. Sian

We were already feeling your absence during Czech Days this year...Michelle, how do we learn to deal with your absence forever. You have left our family with so many amazing memories. Girl Scout camping trips. Last minute Czech Days parade preparations. Late night talks. Your olive potato salad. Your smile and laugh you brought to us when you came "home" to your Wilber family every summer. You have left a legacy with your beautiful daughters. Your spirit will never be forgotten. We will forever miss you but we will always carry you in our hearts. On behalf of the Barnas Family
