# Anthony Robert Lempp

SEP 7, 1990 - AUG 27, 2022

**A**nthony Robert Lempp, 31, of Cornelius, NC, made his journey home to our heavenly father on Saturday, August 27, 2022, following a motorcycle accident. He was born in Port Angeles, Washington on September 7, 1990, to Donald and Linda (Jenkins) Lempp.

Anthony (Tony as he's known to his work family) graduated from Mooresville Christian Academy and went on to become a gifted auto mechanic, spending his last several years at Lake Norman Hyundai. Anthony was well respected at work and in his field. He was known for his spirited personality, kindness, compassion, quick wit and of course, his signature red sneakers!

Anthony is preceded in death by his brother Jason Patrick Lempp. In addition to his parents, he is survived by his brother, Shane Lempp, sister, Dana Lempp, his beloved niece and nephews, Laila, Nicholas, and Grayson; many aunts, uncles and cousins and the love he left behind....Macy Trull.

We will gather to celebrate Anthony's life, love, generosity, compassion and humor on Sunday, October 2, 2022 at 19141 Brookgreen Garden Place, Cornelius, NC 28031. His ceremony will start promptly at 2:00 PM. If possible, please be present and seated by that time. The ceremony will be held outdoors and followed by a BBQ lunch with plenty of time to visit and share stories and love. There is a Publix shopping center one block west for additional parking. Lodging for out of town guests is available at the following hotel: Comfort Inn 704-896-7622. Breakfast is included (Funeral Rate 105-125), 19521 Liverpool Pkwy. Cornelius, NC 28031.

Oh Ant! I'm so heartbroken 😭 I'm going to miss your goofy texts so much. I'll forever cherish the fun times we had at Porter. You were such a great person that could light up any room and always make anyone around you laugh. I hope you were welcomed by your brother up there. My thoughts and prayers are with your family and friends. May you Rest In Peace Ant. ❤️

Where do I even begin? How do I even begin?...Anthony was my baby brother (my 6'4" "baby" brother), although most people who first met us SWORE we were twins. For most of our lives, we were INSEPARABLE and although I know I drove my brother crazy at times, he was ALWAYS there to pick me up when I was down, way down sometimes, he was there to talk much needed sense into me when I needed it most (and to remind me if I didn't listen, my not so "baby" brother was I'll make SURE I straightened up), we helped each other, we leaned on one another...I was just with him the morning he passed away, oh Ant (Waldo), how BIG of a HUG I would have given you when we got out of your jeep that morning, what I would give to go back to that morning! I'll forever save the \$2s ya have me that morning...\$32 to be exact (and all for "just because"), \$32....crazy huh? Because you just had your 32nd birthday in heaven. I miss you and Jay so bad it literally HURTS, but I'm SO VERY grateful at the outpour of love our family has received on your behalf. It breaks my heart because I know you didn't even have a clue just HOW MANY people you impacted so greatly and just how LOVED you were by EVERYONE who has EVER known you! (I always told you, that I know..but you INSISTED you weren't anything but a regular ol' dude-bro you were and ARE SO MUCH MORE!) I am lost without you and Jay, I'm not sure even how to do life without you, but I KNOW in my heart you're still here with me EVERY SINGLE DAY! I love you little bro, (or should I say FAM)! Save me a seat next to you guys, until we meet again! Oh, and let me not forget to thank you for loving my children (your niece and nephews) as your very own, they are crushed, please, please watch over them and FOREVER protect them!! We need ya fam. Love you! Xoxo

Anthony will always be remembered and cherished by his Work Family at Lake Norman Hyundai. Anthony was kind and always shared his talents with the younger techs and he grew friendships with everyone that he touched. Anthony was in a great place personally with his life goals and relationships that he had nurtured during his time with us. Our thoughts and prayers go out to the family and to Macy....We love you all....Cam

I only knew Anthony as a young boy when we all lived in Borinquen, PR. He was an energetic young boy. As a Man, I have only heard good things! However, if he was anything like his Sister, Brothers, Mom or Dad, he must have been a GREAT HUMAN! I'm so sorry to hear of your accident and the loss to my dear friends. I keep you all in my thoughts! Love you all.
