Robyn was one of my first friends in junior high. We met in Mr. McGrews band class. She was a fine person who spent her time trying to help others. Now she can be a guardian Angel to us all.

Robyn will be greatly missed by so many. She always had kind words for all she knew and met. I have known Robyn since first grade - can't say that about too many people. She always had a smiling face and I do not think she knew any strangers. Please know you are all in my prayers. I will not be able to come to the funeral today but my thoughts will definitely be with you. Rest In Peace my sweet friend!!
