My condolences to the Garrott family. I knew Ruth for many years through my practice in the Juvenile Court. It's fair to say that "Ruth ran the place" and I mean that in the best way. She was an intelligent and dedicated worker in the Court and should be remembered for her skill and dignity in treating the families who came to that Court fairly and with compassion. She also was a good salesman as I still have a painting of Ernie's that has been in my home for at least 40 years! May she rest in peace and her memory be a blessing forever. Atty Bill Hall
