I never met Tiffany , Rob is a childhood friend of mine. I love her because of him, I love her because seeing him being loved the way she loved him was so wonderful to see. Seeing her post all the date nights and just how much she loved him was a blessing. I couldn't thank her enough for letting him feel that. I'm so sorry she is gone from him , but I'm relieved she isn't in pain any longer. Rest easy Tiffany. Please continue to show Rob love and signs from heaven. Love you both Diane
