Dana Lempp

JAN 5, 1988 - MAY 21, 2023

Dana Marie Lempp, 35, of Cornelius, N.C. made her journey home to our heavenly father on Sunday, May 21, 2023.

Born to Don and Linda (Jenkins) Lempp on January 5, 1988, in Corpus Christi, qualified Dana as a 'true Texan'. True to her Texas roots, Dana's approach to life was big ~ Her energy, spirit, drive and talents were all big, but nothing could compare to the size of her enormous heart. Dana's ability to see the best in all of us, along with her willingness to help any of us, evidenced a heart larger and deeper than most. Even upon her passing, Dana's drive to help continued through tissue/organ donation. Dana's essence though, her feistiness, intelligence, wit and 'can-do' spirit made its imprint on each of her adoring children, Nicholas, Laila and Grayson, and it will live on through all of them.

The only daughter in a house full of sons, Dana cherished and celebrated each of her three brothers, Shane, Jason and Anthony. Their bond was a strong, enduring connection that made their multiple military moves throughout her childhood, feel adventurous, rather than scary. The recent losses of both Jason and Anthony introduced a level of grief no sister should ever have to face.

In addition to her parents and children, Dana is survived by her brother, Shane Lempp, her cousin/sister, Jolene Jenkins, grandmother, Billie Taddei, and many aunts, uncles, and cousins who cherish her enormous heart and big spirit.

For those wishing to honor Dana, please consider her favorite charity, Hope Valley, Inc., 105 County Home Road Dobson, N.C. For 27017 or online at <https://kindest.com/hope-valley-inc>

James Funeral Home of Huntersville is assisting the family. Online condolences may be made at www.jamesfuneralhomelkn.com.

My Dana Marie! You know I am being serious when I say your full name. I have been having a hard time processing the fact that you are no longer here. I believe I'm in the denial stage of grief. We left on bad terms & I deeply regret not fixing things between us. We met when we were only 15 & were able to make well over 15 years of memories. Together we faced the many obstacles life gave us including the good & the bad. I will never forget you. Linda, Don, & kids, you are in my daily prayers.

My Dana, just like I reported on my post of Facebook when I had found out you had passed that there are so many things that I love about you that I could not possibly right down here. My favorite memory of you was spending Thanksgiving with you and Jason and Anthony. We both traded off making mac & cheese and stuffing and Jason took care of the turkey. Anthony laughed as the boys watched on with us. It is one of my most favorite memories that I have ever had with you, I love you Dana.. I know that over the past couple of years you and I have struggled with our friendship but you knew you could always call me anytime you ever needed me. I am incredibly sorry and broken to hear of your passing. it's not still real yet to me , I miss you and I love you forever Dana.. the kids will live on through you and your parents are such beautiful people. They will continue to always make sure your memory lives on forever, as always they have with J and Ant. This is unfair. I so hope you know how much you are loved and how much we all miss you. Forever friends - Dana Marie and Diana Marie ♥

Dana and I met when we were teenagers in Puerto Rico and we were always up to something. Our first major undertaking was matchmaking my sister and her brother. We were thrilled when they started dating because we wanted to become sisters. We told each other every secret, got in trouble, laughed until it hurt, and we became exactly what we hoped for: sisters. We lost touch and hadn't seen each other in years but Dana will always be one of the most significant friendships of my life. My heart is broken for the Lempp family and for their enormous loss. I will forever miss Dana's big laugh and kind heart.

Some things on earth just don't make sense and this is one of them. The promise is that in heaven there is no pain and that is what I have to keep reminding myself. You are in heaven with your brothers pain free, laughing, dancing and most definitely cracking jokes. Look over your babies and your parents send extra love and extra strength to them. Send them signs every chance you get. I know you will ☐

I'm heartbroken. Speechless. Just blank minded. You were like my older sister. We drifted but were slowly reconnecting after everything that has happened. We laughed at the pictures. I should have reached out more. I should have lended my ears. My shoulder. I will forever wish I could have done something. I love you Dana. My prayers to the family for guidance and ease.

My love and condolences go out to the Lempp family. I met Dana through her mother, Linda, and at times we would message one another with inspirational songs and scriptures. She was very sweet, smart and helpful in every way, she will be missed. Blessed are those who mourn for they shall be comforted Matthew 5:4 praying this for the family. I love you all.
