Lyle Mark Daugherty

JAN 5, 1964 - JUN 30, 2023

Lyle Mark Daugherty, 59, of Denver, passed away Friday June 30th, 2023.

Over the course of his life he lived in Paris, KY, Union, KY, Raleigh, NC, Newnan, GA, and finally Denver, NC. Mark was a loving and devoted Son, Husband, Brother, Father, Grandfather, and Friend to anybody that may have needed one. He loved his family more than anything, going above and beyond to take care of them and making certain to leave no doubt of his love for them. His generosity was felt by those who loved him the most as well as complete strangers.

Mark was a proud West Virginia native and earned his Bachelor and Master's Degrees from West Virginia University. He made an impressive career in the manufacturing industry, serving as President in his last positions and leading his companies through significant change.

He loved cheering WVU & the Steelers on, grilling, traveling, and, although he couldn't swim, sitting by the pool or in a chair in the sand on the beach. He adored his yorkie Sophie and tolerated (but secretly loved) his grandcat Maybull. Although laid back, he was very particular about some things, including laundry and how to load a dishwasher correctly. If you did either of these things wrong, you would never hear the end of it.

Mark was preceded in death by his loving grandmother Ruby Rice and sister Lisa Wade.

He is survived by his parents Earl and Ruth Ann Daugherty of New Martinsville, WV, his loving wife of 14 years Casey Daugherty, his children; Michelle Jones (Marty) of Georgetown, KY, Anthony (Bethany) Daugherty of Frederick, MD, Alexandra Plunkett of Denver, NC, and Amy Bailey of KY, grandchildren; Levi, Lyla, Lindyn, Anderson, Amelia, and the newest addition to his family, Marie. He is also survived by many friends, aunts and uncles, cousins, and nieces.

I feel blessed to have crossed paths with Mark. I hired him at Toyota in Georgetown many years ago and worked with him both in Georgetown and Erlanger. He was a knowledgeable and likeable person with a great sense of humor and an infectious laugh. Working with Mark when he teamed up with Mary Diggins made life enjoyable. And when Arnold Pearl was thrown in the mix, it was downright hilarious at times! I still get tears of joy in my eyes thinking of the memories and I hope your tears turn to joy when you think about how positively he influenced many other good people. Bless you in your time of loss. Know that he was a kind person to many.

Casey, my deepest condolences go out to you and the family. In the short time we worked together, he had an immediate impact on me. I thoroughly enjoyed our conversations and our meetings used to always run over than expected causing delays on other meetings he had. I had no issues with him blaming AJ for being late to other meetings and the ongoing joke about me over utilizing meeting time with my rants..lol. He was always very supportive and always providing excellent wisdom on anything we discussed. I know he deeply loved his family and was a devoted husband, son, father and grand father. He holds a special place in my heart!

Casey, I'm shocked and saddened to hear of Mark's passing. Please accept my condolences. He was a wonderful boss and mentor to me. His patience and humor got me through a rough learning curve.
