I really enjoyed playing golf with Phil. He would give me good advice on how to play a shot and was always encouraging me to grind it out. I enjoyed our conversations in the clubhouse at Cowans Ford CC & I've enjoyed listening to the CD he gave me of him singing in a Gospel Quartet. Rest in Peace my friend. -- Byron Alexander

I worked with Phil when we were both contracted to McGuire Nuclear Station. I truly enjoyed his professionalism and his sense of humor. We both enjoyed Southern Gospel music and shared our favorite groups. I am so sorry he did not get to enjoy a longer retirement, but know he is now singing with his friends who preceded him.
