Jane Whitley sent a virtual gift in honor of William.

We have many good memories: of you and Bill sitting behind us at Hopewell on Sunday mornings, of times when we would run into you all and your families when we were at Long Horn celebrating our birthdays which fall in same date, of signing you and Bill up for Joy each month, of visiting with you and Bill at you home over the years, and visiting with you in parking lot at Autumn Care during Covid - the time you stayed over night helping take of Bill and other patients! May you find comfort knowing that you were there for Bill whenever he needed you. May God bless you and give you peace.

Bill was an amazing, kind, and thoughtful man. He was the best father in law to my daughter Crystal, and the best grandfather to my grandson Charlie , that a Mother could ever ask for her children. He will be greatly missed, but his suffering here is over. As the apostle Paul said, " I have fought a good fight, I have finished my race, now there is a crown of life waiting for me" 🙏
