He adopted Michael Todd Holland who preceded him in death 02-03-80. He was a wonderful father to both Todd and Nikki - I have wonderful memories of him always being "there" for both of them...a remarkable father and grandfather. He will always be remembered.

Because they were not adopted by him nor blood relatives. And they only had a certain amount of space to word it. Although Todd, my brother, was adopted by him and died at 18 before dad and mom divorced.
