One of the first couple I met at Sunset Road Baptist Church. He & his lovely wife always were smiling or laughing & making you feel good! Chase had a contagious, kind personality & won the hearts of many with his Wonderful Christian heart. I am so tgsnkful that he crossed my path here in earth. I can almost hear our Father saying, " Well done, my good & Faithful servant! Love to you Nancy & prayers for you & your beautiful family. Precious Memories you all have, very fortunate! God bless you all!

Words are hard to find during this time. The Crumps lived next door to us growing up. Jane was my best friend through our middle and high school years. We were either at her house or mine, where Papa Chase and Moma Nancy always treated me as one of theirs. Papa Chase lived a full life and will be missed by many. Take care Mama Nancy and know he is rejoicing with no pain anymore. Rejoice in his memories. Love and prayers

My heart is with Mr. Crump's family. He always treated me as another daughter when I would visit their house with Martha and Jane during junior high and high school. He led a wonderful life and I am certain he heard God welcome him to heaven by saying, "Well done my good and faithful servant." Sending love to all of you.

Special memories of time our families spent together are on my mind and in my heart. I wish we could have spent our later days closer to gather but it just didn't workout that way. I miss seeing you Nancy. I am happy we are well. I hope your health is good. I do not drive except local, if I could I would come to see you. Take care and know that I still love you. I am so sorry for your loss. Heartfelt condolences to all the family..Polly Haigler

Chase Crump has been a friend to our family for so many years, he feels like family. Such a great, kind, and gentle man. He was always working for the Lord. He was someone you could always turn to if you needed a friend. He was always willing to help. He always had a smile on his face and always seem to be happy. We will miss him so much. He was one of a kind. Rest in peace Chase. We will see you again in Heaven. We love you....Hugh and Pat McCutcheon

I remember Chase fondly as an encourager and faithful Bible study teacher. It has been so sad to witness dementia take away his mind. I am so thankful for him now that he is more whole now than he's ever been with our Daddy God.
