Sue Mull Broome

July 19, 1938 - October 14, 2023

Audrey Sue Mull Broome, 85, of Charlotte, North Carolina, formerly of Lexington, NC, passed away October 14, 2023.

Sue was born in Burke County, NC to the late Pansy Mae Lingerfelt and Colon Phifer (Bill) Mull on July 19, 1938. After the death of her mother at a young age, she spent her formative years at the Junior Order Children's Home in Lexington, NC, where she made many lifelong friends. In 1956, she graduated from Lexington Senior High School and began a successful career at BellSouth Advertising & Publishing Company. She retired from BellSouth after 36 years of employment in 1993.

As the matriarch of her family, Sue was a beacon of strength and unconditional love. She was a fiercely independent woman who provided selflessly for her children and grandchildren. She showed her love for them by adopting their passions as her own – sharing in the excitement of the big game or a favorite television show. She was a long-time member of Northside Baptist Church. She had a talent for baking, which she passed along to the women in her family, and gifted delicious treats to everyone she encountered. To her friends, Sue was generous and dependable, with a remarkable ability to lift the spirits of anyone in her presence. To her family, she was a devoted mother, granny, and sister, who enjoyed nothing more than spending time with the people she loved so well. She will be deeply missed.

Sue was preceded in death by her daughter, Leisa Broome Tucker; brothers, Edgar Harris Mull and Tommy Lee Mull; and sisters, Doris Mull Morris and Linda Mae Mull Hedrick.

So so many wonderful memories...."Toots" (that is our name for each other). The times we had were so many. You were a year ahead of me in school and we all had so many "sisters & brothers" it was no problem having someone to play with. But our frequent get togethers were when we began basketball on a team. Then you graduated & left for Charlotte to begin ur new life with a job, marraige, etc. One year later I finished school and headed for Charlotte to work at Sou. Bell where you were working. You & hubby had an apt. & I lived at the YWCA, only I block from where we worked. It was so nice bcuz we could see each other once in awhile we moved thru the bldg. At first I was a bit uncertain how I could make it...not to worry, you were so helpful & watchful you made me very confident. You had me spend nights at ur house to show me places & things we could do. You were so watchful of me, I got the hang of doing things on my own, gaining confidence, making lots of friends.You were so wonderful to me. We had great times, much laughter & when the union went on strike one time, I did not want to be apart of that. You took care of me showing me how to handle that. Just so much Toots that you did. You have no idea how thankful I was for you. I could write a book but this is not what this is. This is to tell you as I often did how important a person you have been to me. And now ur gone but never will be forgotten. You are at Peace & and with Your Savior. You picked the best place to stop-Heaven! Toots, R.i.P., Soar with the Angels. Thank You My Sista ❤️
