My sincere condolences to all of Pam's family and friends. Pam and I both moved away from the area and lost contact with each other and I only heard in April 2025 that you are in heaven. Pam and I met while our children were young and we all had a blast on school breaks at the lake, going to the Zoo and parks. Pam and I were blessed to know we had unconditional love, no judgement and could call each other to share our dreams and hard times any time of the day or late night for our kids and family. I recall when Pam told me she met Darrell and it was love from the start. She adored him and his love of loud music! Pam, we had a lot of good days and so much fun with the kids! Pam I know you believed in God our Creator, Jesus and the Holy Spirit so I know you are at peace "for to be absent from the body is to be present with Christ" Until we meet again Donna Donna Love to you all and one day may we all be together again in heaven Sincerely

Ok thanks to all. This is Deryl and I was Pam's partner for about the last forty years and needless to say I am still in shock. Many people wonder why I didn't say anything about Pam at her celebration of life and the reason was that I was an emotional mess and couldn't speak. If I could have the story would have been a long good one about great memories that we shared she was the love of my life. We will meet again and Pam if you can somehow see this thanks for everything. "Love Deryl"

Pam, I was so shocked to see your life tribute on James Funeral Home. I'll never forget you or how great it was to have your friendship at THS, 1972-1973. It was wonderful to keep in contact with you on Classmates.com and FB. You were one of the kindest people I've ever known. God bless you. Rest in Peace.

I knew Pam through KidTime, where she created a safe, fun space for my kids so I could go get things done. Though she may not have realized it, she was like a surrogate mother to me. Her friendship, support and encouragement meant the world to me as I did my best to navigate motherhood without a mother. She was a kind, caring, loving friend, and I will never, ever forget her smile.

Pam was a loving person! I remember our childhood together at granny Mann's house all the trouble we got into and the fun times. I know she's reminiscing with all the our family members in heaven now. I'm just sorry that I never got up to see her once she moved. I wish I could be there for her memorial but we've got other commitments that weekend. Love to all my cousins and so sorry for your loss!
