I'm still in shock over Sheilah's passing. I was privileged to watch her service on YouTube. I remember our meeting At Appalachian. We shared a History of the Movies class which was at the end of the day. We struck up a conversation in class & she invited me to join her for supper. Which is where I met her roommate Suzanne, and later her cousin Pam & roommate Jane. We all shared the love of attending the university's sporting events: tennis, baseball, football, soccer & especially basketball. They introduced me to Neil Diamond & other artists & we attended concerts together. They watched me get my ears pieced! There were vacations & trips to the beach (Myrtle Beach & Fort Macon, NC), the mountains, trips to Huntersville, Hickory (to my Grandmother's home), & North Wilkesboro. We attended each others churches. We kept in touch by letters & cards. After I moved to Illinois, we sort of lost touch physically. But Sheilah has always had a special place in my heart. My heart goes out to Joy & her family, Pam & her family, Robin, and all of Sheilah's friends. May God comfort all of you (and me) with the love of Jesus Christ & those beautiful, fun memories of her beautiful smile & generous spirit. Sheilah will be missed.

Sheilah, you are sorely missed. My friend Mr.T always asked as he called her that little woman was doing.

Joy so sorry for the passing of Sheilah. I have some sweet memories, I would see her at Food Lion, and we would stop and talk and when I do Angels of 97 as Itsy Bitsy, I would always get a big hug from her. I know when the GATES open Annie Mae and your Dad had open arms for her. Sending Hugs, Love and Prayers to Robin and Rest of Family. She will be Missed.

Prayers for Robin and Sheilah's family. We will miss seeing Sheilah walk her dog and stopping to chat. May God grant you all the peace and comfort that only He can.
