My beautiful girlfriend, Lisa. How much you will be missed. Lisa and I met in the 1980s and we became roommates. Best roommate that I ever had. We would share meals together, we'd cook together, and go to the nightclubs on the weekends. We had a blast. I love you Lisa so very much and miss you very much. I'll see you in my dreams, and until we meet again, I'll never forget you, my dear sweet, kindhearted soul. ❤️

Lisa was a dear friend for many years in Washington,PA. My mom talked her into moving to Florida in the early 80's and we were roommates for a year or so. She was such a kind, caring soul and it makes me so sad that cancer took her from those who loved her at such an early age. Rest easy, Lisa, until we meet again. 🙏
