Robin Ella Perrotta

OCT 15, 1955 - JUN 15, 2024

Robin, beloved wife and friend was born on October 15, 1955 in Haywood County North Carolina to the late Ralph and Doris Jenkins and passed away peacefully June 15, 2024 at the age of 68.

Robin moved to Charlotte and began her career in the retail business working for Brownlee Jewelers for 31 years. Beloved by her many loyal customers for her easy smile and knowledge of jewelry, she could easily accommodate her clients in picking out the perfect piece of jewelry for that special person.

Robin married the love of her life, Butch on December 27, 1996. They enjoyed many happy years together biking, traveling and spending time together with their dear friends at Raintree Country Club. In 2018 they moved to The Polo Club of Weddington where she enjoyed many happy memories with their neighbors and sitting on the patio watching birds and entertaining family. In her later years she lived with health ailments but never lost her warm smile, laugh and love of music.

She is survived by her loving husband Butch of the home, brother Billy Jenkins (Laura), sister Ramona Hicks (Walter), and the Perrotta family Maria Mincey (Jim Johnson - fiancé), grandson Zachary Mincey, granddaughter Hannah Mincey (Zac Story - fiancé, great granddaughter Ansleigh), grandson Peyton Mincey, Jacob Perrotta, Aubrie Perrotta, grandson Kyler Perrotta, Elena Perrotta, and granddaughters Isabella Perrotta and Gabrielle Moore. Robin was predeceased by her two nieces, Kendra and Christy Jenkins and her stepson Todd Perrotta.

Special thanks to Diane Desimone and her daughter in law Deborah and family for their love and support in her final days. Also dear friends Cedric and Deborah Maillard for their love and support.

Memorial service arrangements will be announced at a later date.

I am so sorry to have heard about the loss of Robin. Robin, was my stepmother in the early to mid 80s. Robin was my father's 2nd marriage and, although I did not keep in touch with her that much. I always made it a point to head on over to Brownlee Jewelers to visit Robin and, catch up on the past and, present. When I, was growing up and, moved in with my dad Robin, was the one who made sure I was at school and made sure my grades were up to par. I am deeply sorry I didnt keep up more frequently. May she rest in piece. Ken Oestrich.

Dear Butch and Family, Please accept our deepest condolences. Robin had a way of making you feel welcome. If it wasn't a smile, words or a joke; she had a way about her that made us feel good. I will miss my friend; she was the first person to make me feel I was welcome at Brownlee Jewelers. Those who live in our memories are never truly gone and live forever! Dear Butch and family, We are so sorry about the loss of dear Robin. There was a special light that surrounded her, a terrific sense of fun, and a warmth that was unmatched. I remember going into Brownlees to say "hi", and she would always have time to visit in between the customers that wanted to spend time with their friend and trusted jewelry advisor too. Will miss you dear friend. Prayers of peace for her family and friends.

When I moved with my family to NC I was happy because I was able to be close to my brother Butch Perrotta, but I found a friend also with Robin Perrotta she became my best friend. I would visit her a lot we watched the soaps and we would get involved as if we knew them. We both love to see good looking men like David Muir and all the FBI shows. We loved to laugh together sometimes my brother would say what are you two laughing at. She was a joy to be around I will miss her so much, but she is now with the lord I always admired the love she shared with my brother. Rest in peace my dear friend love from your friend and sister in law Diane DeSimone
