Fran was a dedicated board member of South Carolina's Women in Manufacturing chapter. She was a shining light in so many ways!! She was always positive and a role model for others as she attended every event she could, even taking PTO to do so! I will miss Fran.

Sending prayers to her family. She was such a joy to talk with her witty stories. She loved her job and was happy anytime I emailed her that something came in for her. You will be missed Fran
