## **Jerry Hinson**

SEP 17, 1938 - SEP 22, 2024

**J**erry Dean Hinson, 86, of Huntersville passed away at peace on September 22, 2024 at Novant Health Medical Center surrounded by his family.

He was born on September 17, 1938 in Mooresville, NC to the late George Avery Hinson and Eula Mae Hinson. He graduated from Mooresville High School, served four years in the U.S. Navy aboard the USS Lexington Aircraft Carrier and retired from the U.S. Postal Service. He loved attending the ships reunions. He was a member of Williams Masonic Lodge #176 of Cornelius, Charlotte Scottish Rites, and Charlotte Oasis Temple. Jerry was a longtime member of Shearer Presbyterian Church.

He was never happier than when he was watching the Braves and the Panthers games. Although, he loved watching sports, his greatest passion was saved for his Lord, his family, and his many longtime friends; especially his buddy Tom Doss of Chula Vista, California. Also, to miss him are his feline buddies, Smokey and The Bandit.

Survivors include his wife of 59 years, Annette Martin Hinson of Huntersville; sons, B.J. Hinson (Kelly) of Mooresville, Jeff of the home; and grandson, Jake of Huntersville. He was preceded in death by his parents, his sister, niece and nephew.

The funeral service will be held at 3pm Sunday, September 29th at Shearer Presbyterian Church with burial following in the church cemetery. Visitation will be 1:30 to 3:00 prior at the church.

Memorials may be made to Shearer Presbyterian Church.

James Funeral Home of Huntersville is serving the family.

I'll miss his ever ready smile and quick hug hello. Good men like Jerry Hinson just don't grow on trees any more and nowadays and are about as rare as winning the lottery. Reliable as the sun coming up and always with the same sunny disposition to share with everyone he met along the way. If he had a bad day you never knew it. I love and will forever cherish memories of all your trips to Florida to visit me, playing cutthroat Spades, fishing and relaxing at the picnic table under the beach hut. That one long drive down to be with and console me when Mama Myrt passed away, it meant the world to me. It's so hard to imagine Annette without Jerry. Being loved by someone and loving them, caring and being cared for...what better life could one have. Fifty nine years filled with so much love and devotion. Building a life together few could match, and a marriage enviable to many of us who failed at it. There's now a hole in the heart of this wonderful family that will never again be filled. Draw some comfort my dear ones in knowing he is now with all those he loved who went before and waited for him in heaven.

I would like to share my condolences to Annette and the family. I met Jerry in 1958 aboard the USS Lexington and San Diego California. We became friends and Jerry got out of the Navy after his first enlistment. I remained in the Navy for 20 years 2005 Jerry and another friend Tom Arnold, got in touch with me and we met at the ship museum in Corpus Christi Texas. We have been in contact ever since we enjoyed going to the reunions seeing old friends personal loss of one of my best friends. I pray for the family during this transition.
