Debra was the best friend that anyone could ask for.. She was kind and so energetic and funny. She will always have a place in my heart.. Always came to work on her days off.. Such a joy to be around.. She loved her Chelsea football team ..

Debbie was one of our first friends made when we retired to NC. Deb played as hard as she worked and lived to do both. She will be missed us very much especially when my wife Nancy and I go out to dinner.
