Mary Louise Berry

MAY 28, 1945 - DEC 14, 2024

On Saturday, December 14, 2024, the Lord called her home from labor to reward. She is resting peacefully in the Master's loving arms.

Mary Louise Berry was born May 28, 1945 to the late William Berry and Latreather Graham-Roland in Huntersville, North Carolina. She received her education in the Huntersville school system. She accepted Christ at an early age and joined Catawba Presbyterian Church. She later joined Friendship Presbyterian Church where she served as a faithful member.

Her memories will live on in the hearts of many. To cherish her memories is her son Darrick J. Berry, and maternal siblings: Latra A. Reid (Alphonso) of Charlotte, NC, Deborah G. Sampson (Benjamin), Tonia R. Graham, Ronda V. Roland of Landover, MD., Edward D. Graham of Huntersville, NC, Lawrence "Climate" Little of Durham, NC. Paternal siblings: John Shipp, Shirley Berry and James William Berry of Huntersville, NC, and Elaine Berry McCants (Johnnie) of Atlanta, GA. Great nephew Deshaun Hines. And a host of nephews and nieces, great nephews and nieces and great-great nephews and nieces. And many relatives and friends. Giving recognition to the Howard family of Huntersville, NC.

God saw the road was getting rough, the hills were hard to climb.
She gently closed her loving eyes and whispered, "Peace Be Thine."
Her weary hours, her days of pain, her weary nights have passed.
Her every patient, worn-out frame has found sweet rest at last.
A million times we've cried, If love alone could have saved you,
you never would have died.
Her memory is our keepsake from which we'll never part.
God has her in his keeping, but we have her in our hearts.

The funeral service will be held at 11 AM Friday, December 20 at the United House of Prayer in Huntersville, visitation will be 10-11 prior. Burial will follow at Northlake Memorial Gardens.

Sister was an institution at Cornelius Elementary School! She felt a great sense of ownership of the school and was happiest when she was serving as hostess to the teachers, bringing goodies for them to put out in the Teachers' Lounge or alerting everyone when someone had brought in homemade goodies. I remember Sister when I taught at Cornelius from 1985-1995. Our school was her home and she protected all of it. Once I put my feet up on the coffee table in the teacher's room. Sister came in slapping at my legs saying "get your feet off that table!" She took great pride in everything we had and made it her responsibility to teach the rest of us. I learned a lesson that day. Thank you, Sister!

Sister and I worked together at Cornelius Elementary. We butted heads on occasion but I quickly realized she was a gift for the school, students, community, parents and me. She went beyond expectations to make sure all the children had what they needed, especially if the children were going on a field trip. I was so sad to hear of her passing. She will always have a special place in my heart.

Lawrence, Darrick, and Family, Our heartfelt condolences to all of you at the loss of your beloved sister, mother, aunt, and friend. We know your hearts are heavy because she opened her home as the welcome haven for many of your gatherings where you built happy memories around family fellowship with laughter, tears, and always great tasting food. Our thoughts and prayers are with you as your hearts learn to let go of her physical body and receive the joy of the memories that she imparted to you while she walked with you. "Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid." I had the privilege of working with Sister at Cornelius Elementary School. My day usually started with car duty. I am so thankful Sister had a hot cup of coffee ready for us during those cold mornings. She was one kind lady. A great cook. I loved her.
