When we needed \$ for some weed, Matt left my apartment by cpcc and like 2 min later came back with like \$47..I never met someone who could just talk to, ask and get a yes to just almost ridiculous requests for change. It may sound stupid but I would just walk and follow him not saying shit, wanting to laugh at how ridiculous the shit I was watching was, but at the same time impressed with amazement and disbelief of dollar after dollar, and pretty much 100% success rate

The pool parties at UNCC, the time he got me to smoke kratom and I twanked out and trashed the tv room, all time times he came to visit me in Cary, chilling at Dave's grandfathers house off Beattie Ford rd, and the early days when I first met him at CPCC, smokin and drinking every day after classes at Independence Park...too many good memories to just share one, you were a best friend for real Matt, can't believe this shit, just found this out trying to add you on fb and talk on messenger...last time we talked I was on probation...yall told me to quit doing what I was doing, I didn't... spent 16 months in jail/prison, coincidentally went to court and got sentenced Jan 9, 2025...
