We are so shocked to read this. Because Randy was John's best friend growing up in Mooresville, we met Beverly so long ago. When Randy was alive, we would often get together at their house or in Charlotte, always having such a good time. It was fun to watch Nikki and Russ grow up. I think I even sold a couple of cars to Randy for Russ! We also saw them at their beach condo and met Beverly there a few times there after Randy passed. Beverly was such a kind, loving, beautiful person who would do anything for you. I know she will be missed by her family and her friends. Our hearts are breaking for you and we extend our sympathy.

Beverly was my first BFF..and I've loved her for my whole life. Living and growing up beside the Washams was one of the most special times of my life...meeting Beverly in the field between our houses when we weren't supposed to be out of our yards were some of the fun we shared...camping in a tent when the guys got the cabin. Helping Beverly get supper ready when Pauline worked was fun and educational...she could cook even when young. She taught me to peel a tomato. I remember Miss Noni "trying" to teach us to sew, knit and crochet...Beverly learned more than me. I'm afraid I don't have room for all the stuff we shared. Peace and Love to all of you...
