Marcy was the youngest of her family. I will always remember her smile and her laugh. She was one of 4 sisters who had red hair. When I was younger , I wanted to have red hair like my aunts because when they were all together they laughed a lot and had a good time. I am glad that Aunt Marcy was at her sister Marlene's 90 th birthday party in August of 2024. It was good to see her then. To her son Michael and daughter in law Michele and her grand children, just know that you all are in my thoughts and prayers. May you know God's peace and comfort at this time.

Marcy was the first to welcome me to Waterford summer of 2016 we came friends immediately. The Waterford Bible Study and Waterford Singles were a huge part of our life going to lunches and many fun events in Waterford. We had travel shopping days her smile, loving personality was infectious. She blessed so many thru her love for the Lord and serving where needed. She was not only my best friend but like a mom. She truly was an angel to many and I am so blessed to be part of her life.

My longest and dearest friend for over 70 years! I am so thankful that we spent a wonderful time together this past summer. Marcy loved the Lord and I know she is With Him now. I will cherish and never forget all of the good times and laughter that we shared together plus the sad times when we supported each other. Our friendship will never be replaced but I will have our memories. God Bless Michael, Michele and family during this difficult time. Sharon MacPhail Hemlock Mi. 48626 Supported

Bonding is never easy. Marcy made that bonding so easy when I first met her 16 years ago. Her caring, and warm ways were always there. I'll never forget our fun gatherings. The love Marcy and Carl had for each other was always passed on to other. Thank you Marcy for your friendship and love. May you rest in peace friend.
