Janet Moore

MAY 29, 1954 - MAR 8, 2025

Janet Munce Moore, 70, wife of Robert Lee Moore, of Denver, passed away on Saturday March 8th, 2025 at home surrounded by family. Born in Baltimore MD, she was a daughter to Lucy Bowen and the late Paul Mitchell Munce.

In addition to the love of her life of almost 31 years Janet is survived by her son Joe Harrelson III and wife Lesley, her daughter, Crystal Palmer and husband James, step-daughter Codi Moore, and grandchildren Kaley, Tyler, and Chandler. Great grandchild Evelyn and many loving extended family.

Along with her father, Janet was predeceased by siblings Paula Rogers and Gary Munce.

Janet was a devoted, loving wife, mother, and daughter who knew that family was the most important thing you could have second to a relationship with the Lord. Janet spent most of her days enjoying thrifting with friends, cool evenings with Robert at their camper in Maggie Valley, and spoiling the kids and grandkids. She was famous for her beautiful table settings and holiday decor that brought joy to their home.

Above all Janet will be remembered for her unwavering faith and ability to share that with those around her. She will forever be missed and loved.

A graveside service will be held at 3 PM Tuesday, March 11 at Westport Baptist Church in Denver. The family will receive friends following the service in the church fellowship hall.

Flowers are welcome. Other memorials may be made to Abundant Life Assembly of God in Whiteville, NC.

James Funeral Home of Huntersville is serving the family.

Janet was a wonderful person and a good friend. She and Robert along with myself and my husband, Mitch spent many great times together. In the NC Mountains for a Valentines Day weekend, vacationing in Cancun, Mexico or a New Years weekend at our house, we always had a good time making memories where ever we were. For years we all enjoying dancing every weekend in Charlotte. I'm so thankful for all the time we spent together, memories last forever. R.I.P. sweet Janet, you fought a good fight, kept the faith and I'm sure God welcomed you home with the words "well done my good and faithful servant". My heart goes out to you Robert and her family. May God give you peace and strength that only he can. She loved you Robert and loved the life you two made together. She especially loved your little mountain home in Maggie Valley. Please know I'm praying for you daily as I did for Janet. If I can help you by listening just give me a call anytime. I'll never forget my beautiful friend and I'm so grateful that God let our paths cross in this life. I will see her again one day in heaven.

Janet is the love of my life, she made me complete. I have never loved like I love her. She always provided me with unconditional love and encouragement and she definitely made our house a home. My heart is broken but I know she is healed and in the arms of the LORD. In her last hours I love you was said more times than I can count with her telling me she loved me also. She is the most beautiful woman I have ever met. She was kind, considerate and a strong woman. I would get my verse of the day from her or sometimes when the Lord would speak to her I was always the beneficiary of that word. My life now will be about what I need to do to live a life like Christ so I see her again. All I'm saying this not goodbye. Love Robert

Your love is such a beautiful example of what love is supposed to look like. You loved and supported her until the very end. I know that she can feel every bit of that love right now. She was and is so proud of the man you are. Thank you for being such an amazing husband, father, and friend. Janet will be missed and is so loved!

Janet was always encouraging and sharing the love of Jesus with everyone around her. She inspired me to pursue the Lord through the Scriptures, gave me prayer books/journals, and was continuously praying for me. No doubt she's dancing with the Lord right now completely healed. My favorite memories were some of the last we had at the camper in Maggie Valley. I am so grateful for the love and support that she gave my father for over 30 years. Celebrating your life today...we love you!
