David Graham

MAY 25, 1948 - MAR 31, 2025

David Graham, III, 76, of Denver, died March 31, 2025. He was born on May 25, 1948 in Newark, NJ to the late David and Gertrude Graham.

After graduating from New Jersey Institute of Technology he began his 30 year career with the Wella corporation working his way up to Director of Plant Engineering.

David always had an affinity for tinkering with automobiles and electronics. He loved to work on old muscle cars, to make them fast and loud. David also had a love for all things cinematic. One of his favorite things to do was to watch a tv series or movie and discuss their plots, cinematography, visual effects and sound. Among some of his most treasured things in this life were his children and his granddaughters. He so loved to make them laugh, enjoyed buying them toys, and watching their faces light up when he would break out the candy and sweet treats. David never left a room the same way as when he came in. He was jovial, fun loving, carefree and what he loved he was passionate about. It brings great peace to know heaven is now booming with joy and laughter having welcomed in another child of God.

Survivors include his wife Sue-anne of Denver, son David, IV and wife Diane of Glen Allen, VA; daughter, Brie-anne Wilson and husband Jonathan of Stanley; siblings, Susan and Ron and 5 grandchildren.

Services will be private. He will be laid to rest at Northlake Memorial Gardens.

James Funeral Home of Huntersville is serving the family.

I haven't seen cousin David since I was a young boy. I remember him as being a handsome kid and always very kind to us Davidson children. I recall how stoic he seemed during our grandpa's funeral in Rhode Island. We all piled out of the car afterwards except David. I went back a bit later and he was crying and so sad. He loved grandpa so much. My condolences to Ron and Susie and all our relatives and their families and friends. God bless in this time of loss. Dennis Davidson

Big Dave was a Great Friend/ Father-In law. We gamed almost every day and talked on the phone about movies and computer stuff. We had movie days. Saw the new movies that came out. He even fixed the chair for me so it would shake for me. He was a fun guy to hang out with. You will be really missed. But we will see you aging. Enjoy heaven and that huge big screen tv in heaven.
