I remember the years serving with Carol on the League of Women Voters - both locally in Haverhill and on the state board of Massachusetts. She was a very witty person and I thoroughly enjoyed her company. We often played golf together when she lived down the street from me in Haverhill, MA. She will be missed. My sincerest condolences to Carol's family and may her memory serve for a blessing.

My sincere condolences to her 3 sons and their families. I remember going with Carol at an art festival in Palm Beach. We enjoyed that afternoon the music, art and food. We had a great time.
