Aunt Ann had a wonderful and unique laugh. She always called me "Vel-ree". I have fond memories of her at the large family gatherings on the farm in Pennsylvania.

So many great memories with both my grandma and grandpa like being taught how to swim and float on my back in their pool. All the visits at the beach. Learning to golf and watching them square dance. All the birthday cakes she made for me. The oil paintings we did. And the time Josh and I and our dog, Max, were in between houses and we stayed with them. Max loved them but grandma I think loved him even more. Many years and so many great memories.
