Words cannot even begin to express the impact of Robert's passing. We worked together for several decades and often shared stories about our lives and our children. Robert was truly one of those people that you meet in life who leaves an impression. We taught one another many things through our conversations. The first and most important was being humble and kind. Robert was a true friend to anyone that knew him and always had words of wisdom to share. He will be remembered and missed.

"I'm heartbroken to hear about the passing of my longtime coworker and friend, Bob. We worked together for over a decade, and he was one of the kindest, most genuine people I've known. He had just retired and was starting a well-earned new chapter. Bob loved running, had a serious sweet tooth—especially for chocolate—and brought quiet dedication to everything he did. He left us far too soon. My thoughts are with his family and all who had the privilege of knowing him. He will be deeply missed. Dan K"
