Remembering my Papa — He never missed a chance to beat us in cards or pickleball, and somehow always had the latest tech before any of us. He filled our lives with laughter and love. It hurts to say goodbye and I'm so thankful for him.

❤️ XOXO Love you Papa 🐾

Bob was a good man who truly understood the importance of God, family and country. He was more than a friend and every bit a member of our family. He will be sorely missed but I have no doubt that he is in a better place. It was always a battle of wits between Bob, my brother and myself. We will now have to be content with our memories until we hopefully meet again on the other side.

This is how I will always remember Bob, smiling. He was my cousin Terry's best friend from an early age, and it was as though he was actually an extra cousin for me. And when my cousins and I got together almost every year throughout our lives, Bob was always there. He was as much a cousin as any of us. I never saw him without that smile. I will miss my fun loving happy "cousin." Ginny Loveless
