Uncle Dick I loved every dinner, every vacation, every walk, every conversation, every holiday, every memory...and boy were there a lot! Thanks for always making me feel special. I'll never forget how you and Aunt Mary gave me my very own bedroom when I wanted to spend the night when I was little, and you made sure to take me to the movies...just me (E.T.) and the many times we went for walks just the two of us. Growing up I looked up to you, as an adult I trusted your advice and later in life I simply enjoyed being with you. I am so happy we got to spoil you and Aunt Mary on your 70th wedding anniversary by bringing out the "good China" and serving you a homemade dinner fit for the King and Queen that you two are and will always be. Say hello to my mom and dad for me. I know they were waiting patiently for you to arrive. I promise to take care of Aunt Mary the best that I can. Love and hugs... Jennifer
