Carl was a genuine and caring person. He took time to speak with me every time we passed at the Isothermal Community College campus. He was a mentor and a friend to anyone he met. A true gentleman.

I was deeply saddened to hear of the passing of your father. He was a man of great name and character, respected not only as a father but also as a colleague and friend. I had the honor of working alongside him, and his wisdom, kindness, and integrity left a lasting impression on all who knew him. Please know that my thoughts and prayers are with you and your family during this difficult time. May you find comfort in the legacy he leaves behind and the many lives he touched with grace and strength. With heartfelt sympathy, Brenda Roach McFarland
