One of the all time great guys at Carolina Golf Club. Ron unintentionally authored a couple of the funniest episodes to ever occur on that property. I also remember him from my childhood in Oakdale. Though he was 7 years older than me and a star baseball player, he was always great with my buddies and me. A preview of the person he would become in adulthood. RIP, Ron. I know you're having a cocktail and some laughs with Danny, Buddha, Puff, and the other guys at a sweet 19th hole in heaven.
