Timothy William Cunnane

SEP 4, 1959 - AUG 7, 2025

Timothy William Cunnane, 65, of Charlotte, passed away Thursday, August 7, 2025, after a year-long and courageous battle with MDS.

Tim grew up in Willow Grove, PA. He later moved to Cleveland, OH, to attend the University of Akron and to be closer to family. After college, he married Judy, and together they relocated to Charlotte, NC, to pursue career opportunities and raise their three children - Kevin, Brendan, and Meghan.

Tim loved a good game, especially tennis, pickleball, and euchre. He had a gift for connecting with people on a personal level, and making them feel special. Known for his endless supply of fun facts and trivia on all sorts of topics, Tim could hold a conversation with anyone. He also had a deep love for his Irish heritage, often sharing its music with everyone he met. With his great stories and unmatched sense of humor, Tim was truly the glue that held the Cunnane family together.

Tim is survived by his wife of 40 years, Judy; his sons Kevin and Brendan; and his daughter Meghan. He will be deeply missed by his sisters Patti Davish (Jack, dec.) and Karen Allwood (John), and is preceded in death by his parents, John and Lorraine Cunnane; his brothers John Cunnane and Brian Cunnane (Adrian). Tim will also be dearly missed by his many nieces, nephews, cousins, and countless friends.

The family will receive friends at James Funeral Home in Huntersville on Monday, August 18, from 9:00–10:00 a.m., followed by a Mass of Christian Burial at Saint Mark Catholic Church, 14740 Stumptown Road, Huntersville. In lieu of flowers, memorial contributions may be made to the Myelodysplastic Syndromes (MDS) Foundation at <https://www.mds-foundation.org>

I just learning of Tim's passing by a random search on the Internet tonight. I sincerely send my condolences to his wife and children and assure you of my prayers for him. I first knew Tim when we played baseball in Little League together in Willow Grove. Tim was the shortstop on our team and I played left field. About three years later, our paths crossed when I went to upper Moreland junior high And we found ourselves in the same homeroom because our last names were so close in spelling. over the next several years we became friends and he got me a job working for his brother Brian at the 7-Eleven which I appreciated. We shared a lot of good times together despite some of our personal differences in opinion, and probably enjoyed arguing with each other just as much as we enjoyed, listening to some of the same music together. I will forever remember his fondness for music of the Clancy Brothers,, Thin Lizzy, and Al Stewart. my very best wishes to his wife, children, family, and friends.– David Cunningham, Marietta, Georgia

Today we said goodbye to our dear friend and "family" member. To us Tim was family. The Cunnane's were the family the family you choose. From Friday night dinners, hangouts in the driveway, helping out with taking our daughter to school. Our watching her after school. Hiding their dog Molly as a joke, St. Patrick's Day party's and every gathering in between; They were all our chosen family. For that I say Thank you for being you. ❤️

Gail and I have known Tim for 30 years, we all moved onto Bolton Court from some place else around the same time and had a wonderful relationship with Tim, Judy, Kevin, Brendan and Megan. There are so many great times and stories, way to many to mention, but the neighbor parties, dinner outings and Farleys stand out. Tim was a great friend, smart, funny and always there if needed. He had a unique memory and possessed the ability remembering the most mundane points in history along with important points as well. We worked for Companies that competed for business and were constantly ribbing each other on who was better. Gail and I absolutely loved Tim and will hold him in our ❤️ forever. Judy, Kevin, Brendan and Megan may you find peace in the wonderful memories you have and knowing that Tim thought the world of you all. Rest in peace Tim and may the Lord watch over you soul.

It's hard to put into words the impact someone like Tim Cunnane had—not just on my career, but on my life. Tim wasn't just my teammate, or my boss. He was my friend. And for me, that was the most important title he held. I've known Tim since the late 1980s, and in all those years, his presence was a constant source of strength, humor, and humanity. In the high-stakes world we worked in, where pressure could mount and crises could feel overwhelming, Tim had a gift—a rare ability to cut through the tension with laughter. There were times when I was so stressed I could barely think straight, and Tim would say something so perfectly timed and hilarious that I'd end up laughing until I cried. That was his magic. He reminded me, even in the hardest moments, that joy was never out of reach. Tim led with integrity, worked with passion, and cared deeply for the people around him. He was the kind of boss who made you feel seen, the kind of teammate who always had your back, and the kind of friend who made life better just by being in it. His wisdom guided me, his humor lifted me, and his friendship grounded me. Losing Tim leaves a space that can't be filled. But I carry his spirit with me—in the lessons he taught, the laughter we shared, and the memories that will never fade. He made a difference. And I'm so grateful to have walked part of life's journey with him. Rest in Peace dear friend! ❤️ Sending love and condolences to Judy, his children, siblings and other family and friends.

I got introduced to Tim for work & he was a stalwart in NTT. In due course of time of our sessions together, we started interacting in personal terms. When I had a few low times due to illness in the family he was always a comforting voice. He would set aside any work & try to cheer you up but surely get things done too ;) He guided on a lot of life lessons during our conversations & all his wise thoughts I still cherish. Most of all it was great to see that he was a compassionate human even though a thorough professional. I share the grief of his Family & Friends. You will be missed Tim...!

I have known Tim for almost thirty years when we moved in beside him and his family in 1997. I remember so many fun cul de sac cookouts and get togethers on Bolton Ct where we had a street full of really wonderful neighbors. Tim was always ready to share a smile and joke, interesting historical fact, music knowledge or a great story and kept me entertained with our frequent driveway chats. Sometimes they went on so long my husband came out looking for me and I swear he thought Tim and I were having an affair! 😂 But that's how engaging Tim could be!! I miss St Patrick's Day parties, our Christmas get together and the occasional pickleball game... I really wish I would have joined in more often now. Tim was a man of character and a great friend whose memory will always bring a smile. I hope he is with family who have passed before him are enjoying a pickleball game! Rich and I love Judy and the family and send our deepest condolences. Well done good and faithful servant. 🙏❤️

In Loving Memory of Tim What a privilege and pleasure it was to know and work with Tim. He was a man of integrity, honor, and character—someone whose presence uplifted those around him and whose example inspired excellence and kindness. Tim's passing leaves an immense hole in our hearts and in our community. Yet, in our sorrow, we hold fast to the promise of eternal life. As believers, we know this is not the end, but rather the beginning of true life for Tim. My sincere condolences to Tim's family. May you find comfort in the love of Christ and in the assurance that we will see Tim again. This is not goodbye, but rather until we meet again. The night of the blood moon we saw Tim looking in empty patient rooms, we asked him what he was doing, he said he was trying to see the moon. A few of us nurses and a CNA took him to the family room that night and sat and looked at the moon. He was so excited to tell us all about it.

I had the distinct pleasure of working with Tim over the last few years. He had the absolute unique talent of making me and others laugh. Sometimes under immense pressure.
