Dennis Allen Hamlin, 75, of Stanley, NC, died December 28, 2025.

He was born on August 25, 1950, in Staunton, VA, to the late James Junior Hamlin and Barbara Jolene Brinkley Hamlin.

His life included years in Florida, Virginia, and North Carolina. Dennis was a husband and father. Alongside his wife, Mary Lou, he was a driving force behind his son Denny's racing career, offering constant support and encouragement from the very beginning. He also valued the friendships he built through his love of classic cars, including his longtime best friend, Al, and the many friends he made along the way.

I didn't know him in person but seeing him on NASCAR made me so happy, he was so proud of his son and what he has accomplished. I'm so sorry for the family and friends that are going through this hard time, it will be sad not to see Dennis on NASCAR but, I definitely will be cheering Denny on! with my condolences, I will pray that he will be cared for in heaven.

The love he had shown there the years to his son Denny. The stories are beautiful to hear how much love and sacrifice he and his wife made so they could see their sons' dreams come true. May he be at peace.
