I worked for Kevin in Charlotte from April. 1998 to March 2005. He was a great lead cleaner with the highest work ethics and a truly honest person. He would always let you know he would be there if you needed help cleaning those long range flights that came in trashed. I am sorry sorry that his family has loss Kevin at such an early age. Remember we will all see all of our family and friends when Jesus returns to take us to our heavenly reward. Kenneth Jones
