Cindy and memories of her have been on my mind the last couple of days. Some of my fondest memories are from my childhood. I loved going on vacations with her because it meant I got to hang out with my "cool cousins", Jeff and Amy. She also liked to play with my hair and is the only one I knew who could frenchbraid it. I remember many thanksgivings and Christmas celebrations with her and we could always rely on her to bring good food and her trickster sort of spirit. My heart goes out to Gene, Amy, Jeff and family. She will be missed. - Brandy

Donna Yonish lit a candle in honor of Cynthia.

Cindy had a sweet spirit. She was kind and understanding. Cindy was a wonderful person who loved her children, loved her husband and her family. Now she is fully healed in mind, body and spirit. Even though I know her dear family will miss her very much, she will be celebrating Resurrection Day with Jesus!
