“ As a newcomer to the extended family over thirty years ago, I always saw "Aunt Ann," as the beloved matriarch whose sense of humor and way of being served to inspire those around her. She raised a remarkable family who wit and strength of character emanate.

It was an honor to know you, Aunt Anne! Sending much love to the Deiner's.

“ So honored to be able to celebrate Aunt Anne's life. As the last Maloney sibling, she was a lifeline to our family history. I loved the conversations I had with her recounting stories about my Dad when they were children or my parents' early life together. The memories she recalled were priceless! She was such a source of comfort when our Mom passed. Always checking in on us "kids" and adding our latest challenges to her ever-growing prayer list. (Worked every time!) I'll miss her, especially her opinions on just about everything. Never at a loss for words, and if she was she'd quip, "What was I saying? Oh well, that's gone, it's not coming back." I'm sure she was received with much love and celebration in Heaven, and I can just imagine her telling Jesus he needs a haircut...

Love you, Aunt Anne.

“ I had the incredible pleasure of getting to know Anne when I came to work at Shads Landing. There was not a day that went by when she could put a smile on my face with her sweet loving words. I pray for comfort for the family and I thank them for sharing Anne's light with her Shads family.
