

Anthony Charles DiFazio

July 30, 1956 - June 16, 2020

Anthony Charles DiFazio, age 63, passed away on June 16th 2020 at his home in Cornelius, NC. Anthony was born on July 30th 1956 to Marian and John DiFazio in Jackson Heights, New York. Anthony was a kind and loving man who cared about everyone before him. He was a loving and devoted husband, cared deeply for all of his family members. No matter the role he played, whether it was being a father, son, brother, uncle, cousin, grandfather, stepfather, and a friend, he always made sure everyone had a smile on their face. He just loved spending time with his family and friends and loved even more telling his crazy stories and his funny jokes to everyone and brighten our days.

Anthony had many passions, but the one that stood out the most was him being an artist. He could paint and draw anything with ease, even if sometimes you couldn't decipher it because he was what we call an abstract artist. He also had so much love for his fish, or nature as a whole. He had such a big heart and will be missed by his loved ones and the people he knew... a genuine good soul, gone too soon. Anthony is survived by his Mother Marian, his wife of 20 years Margaret, his daughter Marilyn, his stepson Michael, his stepdaughter Sara, his sisters Dolores and Connie, and his brothers William and John. A memorial service will be held at 1 pm on Saturday, June 20th, at James Funeral Home 10520 Arahova Dr, Huntersville, NC 28078.
