“ Betty and I played Rummikub together at The Laurels. I miss those days but next time I play the game I know Betty will be telling me what moves to make. She will be missed!

“ To the family of Ms. Betty Randazzo,
It was an absolute joy to get to know her at her time she stayed at the Laurels in Highland Creek. I am a server in the kitchen and we all love her and Andy so much. She made me feel like family. Every night I would work she would walk me to the door to make sure I got home safe. I enjoyed our visit before the pandemic and will cherish the voicemails she has sent me! My heart goes out to you all. She will truly be missed and I bet she's living it up Aruba style in Heaven!
