“ A great aunt-great niece relationship isn't always one you think of being close, but that doesn't matter in the Mayes family, and it didn't matter to my great aunt Betty. Even though I only got to see her a handful of times in my life, she always cared deeply about me and wanted to spend time with me. She was one of the strongest women I've known, having been widowed so early and raised three amazing boys and then lived on her on for so long. I was always in awe of her. I feel so blessed to have seen her this past summer, and honored she wanted to have me stay with her in her house. She was one of a kind

“ I am so thankful that my daughter Cindy and i got to visit with our Aunt Betty in August 2018. We have some very special memories and pictures from our recent visit. She is one of the best cooks I know, and she has shared many recipes with me through the years. She was a strong woman who loved the Lord and her family so much. I enjoyed our chats together, over the phone and in her home. I will miss her forever! My prayers are with her sweet family. - From Kathy Thom, her niece in Indianapolis, IN

“ I have so many wonderful memories of Betty. One of my most treasured one is the time I lived with her while doing my student teaching in Fall of 1988. She opened her home to me and treated me like one of her own!! She was such a blessing to me and my family!! She has been my mom's life long friend and they still talked on the phone weekly. My family will miss her greatly!! Please accept my deepest condolences. I'm praying for God's peace and comfort! Love to all of you, Mary Ruth Mabe

“ Betty and I were roommates at Appalachian and became friends. She was loving, caring, fun not only while we were roommates but as a life long friend. We had chatted the week before she left us. I fell apart when I got the news that she had died. Finally I realized she was with God and hopefully when my day comes I will see her again. My sympathy to her boys and their familys. Rest In Peace Betty.

“ I'm so sorry for your loss. I loved Miss Betty very much. She had such a solid faith and that was very deep and she showed how to live it out in your every day life. She was such an encouragement to me and I looked forward to running in to her every time I saw her. When I think of the people of Grace Covenant and "grace" in general, she always comes to mind.

You may have an idea of how much I also loved her, but my pain is nothing in comparison. Please let me know if I can do anything~anything. Love you all. Vicky

“ Stan and I love Betty so much, as did the remainder of the Newton Family. She was a special lady. One of my favorite memories of her is actually when she corrected me about stressing over something that one of my adult children was doing. She told me to "get over it," and asked if I would want this issue to ruin my relationship with my son? I loved her so much for loving me enough to speak up and set me straight. She was an amazing, beautiful, straight-forward, loving lady that I will miss very much!
