

## Brandon Shelton

September 9, 1992 - February 3, 2022

Brandon Lee Shelton, 29, of Mooresville, NC passed away unexpectedly on Thursday, February 3rd, 2022.

Brandon Shelton was born on September 9, 1992 to Brain Shelton and Susan (Cook) Chada in Evansville, IN. Brandon was the youngest of the two children. Brandon married the love of his life, Elizabeth, on September 21, 2018. Together they have their son, Elias William (2) and daughter, Bexlee Mae (arrival in April). Brandon loved his family more than anything in the world, and often talked of all the things he wanted for his children.

As a child Brandon had to overcome many challenges, and made it out stronger than before. He loved playing sports, and spending time with his friends. Brandon was known for his compassionate heart, and sense of humor. He will be remembered for those reasons, he was always so loving and light-hearted.

He loved all things Marvel (especially Iron Man) and would often want to be one of the first to see the new movies, or be in the know on the latest information. Brandon loved football, and was an avid fan of the New Orleans Saints, even when they were in the struggling years. He would make sure he was able to watch the games, but generally enjoyed watching any game that was on.

Brandon loved to travel and was always looking for the next adventure. He had especially loved watching his son grow up, and taking him on adventures. He and his family were excited for all the plans they had made for upcoming trips.

Brandon was an amazing husband, father, son and brother. He was loved by so many, and touched the lives of all who had the pleasure of knowing him.

He was preceded in death by his grandparents. Brandon is survived by his parents Brian Shelton and Susan Chada. In addition to his parents, he is survived by his wife, Elizabeth Shelton; son, Elias (2) and sister, Ashleigh Irwin. Brandon was looking forward to the birth

of his daughter, Bexlee, in April.
