I cant imagine the pain of loosing a son, father, brother, friend... just doesnt seem possible that you are gone - way too soon! You had a smile that would light up a room instantly ! you will be missed!!! My heat goes out to all of the Family - you are all in my heart and Prayers! David - Be Free!

“ Our time lasted over a decade and the memories are many but the absence of you in the future is hard to imagine. We had our good times and we had our bad but we always returned to each other. I am going to miss you more than you can imagine but I know your in a better place. You touched many lives in your own special way. You were so different and unique but I know the Angels are Rejoicing at your arrival. You are gone but not forgotten you were loved but will be remembered. I love you David.....always have always will!
