July 10, 1994 - October 7, 2020

Devin Anthony Casadevall, 26, of Huntersville passed away on October 7th, 2020 due to complications after an epileptic seizure. Devin was born on July 10th, 1994 in Tampa, FL, the son of Eddie and Carol.

Devin, above all else, was a lover.

Devin loved to be outside. He always talked about how he had the best childhood, because he spent it on his bike, outside all day, trying to catch lizards and snakes.

Devin loved cars. If you spoke with him for more than 5 minutes, this was obvious. It was his passion. He loved to take something that most people would consider to be scrap and turn it into something to be desired.

Devin loved his job at Accel Welding and Fabrication. It did not matter that his hands were always dirty or if he ached from being on his feet all day – he was always excited to be at work with his best friends, TJ and James Small. He was always so proud of his work and rightfully so, as he was extremely naturally talented.

Devin was an avid Magic the Gathering Player. He would spend hours looking at decklists, trying to find the perfect combo to beat his opponents. He played multiple times a week at his local card shop: Parker, Banner, Kent & Wayne. His presence will be deeply missed by his many friends within the Magic community.

Most importantly, Devin loved his family. Without question, Devin would have done anything for those closest to him. He emitted unconditional love always. His bond with his brother Michael was more than just a sibling relationship. Devin saw Michael as brother, best friend, and a second father-figure. He saw Michael as a guidepost in life. The sound of their laughter together in the same room was indescribable, yet magical.

Devin is survived by his parents Eddie and Carol; his brother Michael (Chelsea); and the love of his life, Alison and their kitten, Stig. He also leaves his aunts, Joni Weyerick;

Jennifer Bostain (Rick), Kathi Hardy(Craig); and uncle Joe Hastings. He was also survived by his four cousins: Missy, Alicia, Robbie, and Joseph.

A Celebration of Devin's life will be held Sunday, October 11th, 4pm, 1700 Harrill St. Charlotte, NC 28205.

James Funeral Home of Huntersville is serving the family.

“ To the family of Devin, and to those who loved him, please accept my deepest sympathies for your loss. I've known Devin for nearly 18 years. He was my Brother in law James Small's best friend and he was often over when I would visit my wife's family. I got to know him over those years, though admittedly not as well as I would have liked. He was always such a cool guy, he always knew how to make me laugh. I know it sounds odd, but he would always joke around and play with my beard just to get me laughing, you would have had to be there to know, one of those things that's hard to describe online. Just thinking it about it now puts a smile on my face and makes me chuckle. I will always be able to look back at those goofy moments and smile. He will be missed more than these words can describe. He is, was, and will always be in my heart and thoughts.

“ Devin was one of those people who you see and.. it's just always great. Every time he came into the shop was a good time. No matter my mood, he could always say something to make me smile. I have so many good memories of hanging around between rounds, hearing about and working on decks together. My heart goes out to all his family and friends. He will be missed always.

“ We will miss having Devin at Accel Welding. He was a great coworker but even more a great friend. His joyful spirit could light up any room. We will carry his memory with us and remember the silly moments we had with him that made us laugh. Rest peaceful buddy. Condolences to the Casadevall Family.
